³ See PRC Order No. 3895, Order Approving Modification to Inbound Competitive Multi-Service Agreements with Foreign Postal Operators 1 Negotiated Service Agreement, PRC Docket No. CP2013-65, May 10, 2017. Because this agreement terminated retroactively, it was not possible for the Postal Service to file this report 30 days after termination. To the extent the Commission may deem this report to have been filed late, the Postal Service respectfully requests that the Commission grant its late acceptance.

In response to Order No. 1761, the Postal Service hereby provides cost, volume, and revenue data related to that product under the expired agreement.⁴ A redacted version of the data is included as Attachment 1 to this Notice, while the unredacted version of the data is filed under seal. With respect to the nonpublic version of the data that is filed under seal, the Postal Service hereby incorporates its Application for Non-Public Treatment filed in conjunction with its notice on June 6, 2013, in this docket.⁵
